ELECTRONIC FILES - This refers to computer generated artwork files submitted for printing reproduction. Ideally, vector artwork created in Adobe Illustrator is the best for print. Acceptable file formats from the Adobe Illustrator application would be an .ai, .eps, or .pdf. If a photographic image is used for artwork, the file must be a minimum of 300 dots per inch, at the final size of the reproduction. This is commonly referred to as "high resolution" in the industry. Acceptable file formats for photographic images would be .tiff, .ps, .jpg or .pdf. Providing finished files will help avoid delays and additional expense.

PRINTING PLATES - This refers to the material in which the image is transferred to the box. Plates are required for every custom imprint and will be billed with the first order.

INK - Any PMS ink is available.

ORDERS - To avoid mistakes when placing your order, use our item CODE NUMBER for proper identification.

QUANTITY PRICING - All cartons are sold in case lots only. If a combined total of boxes and accessories are ordered, the next applicable pricing column will be used. Imprint charges are based on each individual box quantity.

OVERRUNS OR UNDERRUNS - Due to the production processes involved in the manufacturing of your custom imprint, it is not possible to determine the exact quantity we will complete. Please indicate your desired quantity using one of the following methods.

1. **"Standard Trade Practice"** - You will be billed for the exact quantity shipped, not to exceed 10% over or under the quantity you have ordered.
2. **"No Overs"** - It is possible your order could run short by **more** than 10%.

SHIPPING - All prices are F.O.B. Hallam, PA. Shipping will be ground service UPS or common carrier, unless otherwise specified.

PAYMENT - Until an open account is established, orders will have to be prepaid with payment made by Mastercard, VISA, check, certified check, money order or cash. C.O.D. is also acceptable. Shipment will be made upon receipt of payment. A \$25.00 service charge will be added to your account for each check returned to us for insufficient funds.

RETURNS - If you have ordered stock product in error, the product may be returned in unused and undamaged condition. Upon receipt of the product, a credit will be issued less a 20% restocking fee. No returns of custom printed or hot stamped product will be accepted.

TERMS - With an established account, terms are net 30 days with a service charge of 1 1/2% per month after 30 days. To avoid C.O.D. charges, payment in advance is welcomed.
